

Top Three Business Valuation Provider

as published October 13, 2010

Brisbane Consulting Group, LLC is proud to announce that we have been named one of the top three Business Valuation Providers in New York State in the New York Law Journal **Best of 2010** rankings published in September.

Louis J. Cercone managing director stated "We are pleased by the favorable responses we received from the legal community. There is no greater compliment than to be recommended by a client. At Brisbane Consulting Group, we take great pride in providing our clients with the best service and a high quality work product; we are pleased that they agree."

The New York Law Journal rankings are a nonscientific survey generated by more than 2,000 reader votes, the responses exceeding expectations. The voting was conducted via online ballots consisting of 42 categories encompassing the areas of technology, research, accounting, insurance, financial services, litigation support, education recruiting and staffing.

Brisbane Consulting Group, LLC specializes in business consulting, business valuations, forensic accounting, and litigation support. We are experienced in business valuation procedures, methodologies, standards, reporting, and expert witness testimony. Brisbane Consulting Group is the largest and most accredited business valuation firm in Buffalo, N.Y. and is affiliated with all major business valuation organizations and societies including the American Institute of Certified Public Accountants, the American Society of Appraisers and the National Association of Certified Valuation Analysts.

The New York Law Journal is the nation's largest selling legal daily has earned over a century of respect from the profession by offering the latest legal news, court information and decisions, expert analysis and much more.
