

Brisbane Nonprofit Division Launches New Website

As published June 9, 2010

Brisbane Consulting Group's Nonprofit Solutions Division is pleased to announce that we have launched our new website: www.brisbanenonprofit.com. The site details our service offering and the nonprofit accounting solutions we offer including Sage MIP Fund Accounting and Sage Fundraising 50. Both the accounting and fundraising software are integral component to running the financial operations of a success nonprofit organization.

You can also use the website as a resource to find current articles on managing your nonprofit organization and managing your nonprofits technology resources and learn about upcoming seminars and webinars.

Special thanks to the Brisbane website team who worked to create and launch the site: Matt Bartle, Gina Chiasera, and Matt McDonald. A thank you goes out to Terry Sember and Chakra Communications for their efforts in hosting the site and guiding us through the content management software.
