Lumsden & McCormick is pleased to announce that Courtland Van Deusen V, CPA has been selected as a member of the Leadership Buffalo Rising Leaders Class of 2010.

Cory, a manager in our tax department, is an experienced tax professional responsible for development and implementation of tax engagement strategies. He devotes his professional time to tax matters in the areas of compliance, planning, research and transaction structuring. Cory has experience in all areas of U.S. Federal and New York State Taxation. He has been with Lumsden & McCormick since 2001 and is a graduate of Niagara University. Cory is a member of the American Institute of Certified Public Accountants, New York State Society of Certified Public Accountants, and the Niagara University Accounting Advisory Board. He is Treasurer of Big Brothers, Big Sisters of Niagara County, Inc.

Leadership Buffalo is a network of business, professional and civic leaders dedicated to improving our own organizations, and building a better Buffalo. The Leadership Buffalo Rising Leaders program brings together up-and-coming 21st century leaders, ages 22 -35, from diverse backgrounds and perspectives in order to increase their ability to be effective agents of change. By developing an in-depth knowledge of the critical issues facing Western New York, by understanding and practicing effective collaborative leadership, by sharing hands-on experiences, and by networking with other leaders, Rising Leaders class members will be able to become more influential in important decisions facing the region.
