

Wedded Bliss

as published June 17, 2009

Rebecca Hoyt found wedded bliss this past winter when she wed Bertram Jones on February 18, 2009 at A Special Memory Wedding Chapel in Las Vegas, Nevada. Rebecca and Bertram shared the day with an intimate gathering of family. A Vegas honeymoon followed and Rebecca said it best when she said, "we bet on each other and won, but didn't win gambling."

Rebecca is a member of our auditing and accounting team providing services to governmental entities in Albany, NY. She joined the Firm in 2007 and is a graduate of The College of St. Rose earning a Masters of Science in Accounting. Her husband, Bertram is a Senior Financial Analyst at Kaleel Jamison Consulting Group.

We wish all the best to Rebecca and Bertram!
