

## **Nonprofit Accounting Software Presentation and Demo**

*as published September 9, 2009*

Brisbane Consulting Group, LLC, a wholly owned subsidiary of Lumsden & McCormick, LLP is hosting a presentation and demo of Sage MIP Fund Accounting Nonprofit Software on September 17, 2009 at the Strong National Museum of Play in Rochester, NY from 10:00 am - 12 noon.

The presentation is designed specifically for executive directors and financial directors/personnel of nonprofit organizations. You will learn the features and benefits of Sage MIP Fund Accounting software as well as have the opportunity to meet with current MIP Fund Accounting users.

The benefits of the software that will be presented and discussed include:

- **Software written exclusively for nonprofits.**
  - FASB compliant.
  - Create 990 worksheets.
  - Statistical tracking, reporting and budgeting.
  - Unique COA segments allows for unlimited tracking capabilities.
- **Award winning reporting system.**
  - Report over any time period for an unlimited number of funding sources in full detail.
  - Create complicated financial reports in seconds.
- **Our budgeting advantage.**
  - Create and track an unlimited number of budgets quickly and easily.

After the presentation you will have the opportunity to network with current MIP Fund Accounting users immediately following the presentation at the Brisbane MIP User Group Meeting at 12 noon. Lunch will be served.

To register or to schedule a personal presentation and demo contact Matt McDonald at [mmcdonald@briscon.com](mailto:mmcdonald@briscon.com) or at 716-856-3428. There is no cost to attend the presentation or the Users Group Meeting.

Strong National Museum of Play is located at One Manhattan Sq., Rochester, NY 14607.
