

## **2010 Tax Rate Guide**

*as published February 3, 2010*

The Lumsden & McCormick 2010 Tax Pocket Rate Guide provides a concise chart of the most common tax rates for individuals and businesses.

As we enter 2010, the economy is showing signs of recovery, while the direction of the job market and real estate sector remains uncertain. Given these factors, it is important to consider your tax strategy.

The Lumsden & McCormick 2010 Tax Pocket Rate Guide provides a concise chart of the most common tax rates for individuals and businesses. This guide can help you estimate your 2010 taxes. In addition, we can help you plan a strategy to minimize taxes for the coming year, as well as develop a long-term tax strategy to benefit your retirement, family, and heirs.

We are always here to answer your tax questions, provide tax planning advice, and keep you informed of any new tax legislation that may impact your personal or business situation.

Please contact your tax representative if we can be of assistance or email us at [mailbox@lumsdenca.com](mailto:mailbox@lumsdenca.com).
