

Lumsden & McCormick, LLP was awarded the Cornerstone Award
as published June 30, 2010

On June 15, 2010, Lumsden & McCormick, LLP was awarded the Cornerstone Award by Working For Downtown (WFD) at its Annual Meeting held at the Pearl Street Grill in downtown Buffalo. The WFD Cornerstone Award recognizes the extraordinary commitment and effort set forth by a business or corporation to build a better Downtown Buffalo.

John E. Oehler, CPA, Managing Partner of Lumsden & McCormick was happy to accept the award. John graciously spoke of Lumsden & McCormick's dedication to downtown Buffalo and announced the Firm's commitment to maintaining its offices in Downtown Buffalo.

Lumsden & McCormick has a long history of meeting the professional accounting needs of the WNY community and recognizes its financial responsibility to support that community. Our charitable investment to WNY for the past 5 years is more than \$575,000. In addition, Firm partners and employees volunteer through board service and active participation serving local community, civic and nonprofit organizations.

This of-course includes our support of Working For Downtown. Several Lumsden & McCormick employees have been involved in the organization including current Board Member and past President Donna Gonser; Treasurer Christa Kopacz; former Treasurers Connie Ricotta and Mary Young; and past President Maria Gambacorta along with many members to WFD.

Lumsden & McCormick not only supported WFD by sharing its employee resources but has also supported the organization financially; through participation at events; committee involvement and defraying WFD's administrative costs by processing mailing and printing announcements and invitations. Lumsden & McCormick is honored to receive this award and will continue to believe in Downtown Buffalo.

WFD is a volunteer membership organization devoted to promoting and improving the quality of life in Downtown Buffalo by fostering an interest in civic and downtown development. To learn more about WFD or to become a member go to www.workingfordowntown.org.
