

Are you a Fan, a Follower? Be both.
as published May 19, 2010

Lumsden & McCormick is pleased to announce that we have launched our Facebook and LinkedIn pages.

Our Facebook page will predominantly share news, information, and helpful resources; important on-campus recruitment and Meet the Accountant events; and articles for accounting and other students; and will serve as a new channel for recruitment for both entry-level and experienced candidates.

The LinkedIn page will serve as a resource for the most up to date news and information related to accounting and tax updates as well as notify you as soon as our technical alerts and industry niche newsletter are posted to our website. LinkedIn will also serve as a way for you to network with other professionals in the Firm, other accounting professionals and allow you to share resources and most importantly conduct business.

We encourage everyone who is in the accounting profession, who is looking to network and gain valuable knowledge or has a son or daughter who is pursuing a career in accounting to follow us on our Facebook and LinkedIn pages. We all know how easy it is to do and once you get the hang of it, you're hooked.

Simply click on the links below to join us. We welcome your comments and feedback; let us know what topics you are interested in learning about.

The Firm wishes to recognize the L&M Social Media Team - Matt Bartle, Eileen Connor-Costilow, Maria Gambacorta, Paul Herlan and Scott Murray for all their efforts getting this initiative off the ground. The Team is also working with a pilot group of our employees to encourage them to use social media as a tool to share their knowledge with you.
